Your contributions will be put to work right here in our local community!

The Corporal Brandon Hardy Chester County Detachment is a group, consisting of over 160 local active, non-active, and retired US Marines and other Military Branch Members, who volunteer their time to support our service men and women through our many programs.

The Marine Corps League, a 501c4 corporation, sends supplies to our troops, financially supports our wounded warriors, disabled veterans and the families of Fallen Marines.

Proceeds from the Golf Classic directly benefit our programs and scholarship initiatives right here in our local area.

We look forward to seeing you there!

**Corporal Brandon Hardy
Chester County Detachment #286
